**AUTUMNWOOD PHASE 1 – A NEW DISTINCTIVE  
SINGLE FAMILY NEW HOME COMMUNITY IN WILDOMAR**

**WILDOMAR, CA** – Inland Pacific Builders, Inc. announces Phase One of a distinctive new home community in Wildomar called Autumnwood. This desirable neighborhood of 61 one- and two-story detached single family homes features a beautiful blend of traditional Spanish-style architecture. The collection offers three to six bedrooms, approximately 2,400 to 3,200 square feet, and up to four car garages priced from the mid \$400,000s.

Already receiving positive feedback from home buyers, Autumnwood features a wide range of individual customization options to meet specific buyers needs. Distinguishing features include:

- Interior standard detailing including tile entryways, vaulted ceilings, bullnosed corners, and fireplaces.
- Large kitchens with abundant culinary space and pantries.
- Master suites with walk-in closets, vaulted ceilings and soaking tubs.
- Optional Casitas, master retreats, and additional one car garages.
- Home networking, cable, ‘smart house’ capability, and dual glazed windows.

Inland Pacific Builders, Inc. (IPB) has become a leader in new home construction, building over 1,500 homes on the California Central Coast. Recently IPB began projects in the Central Valley and Southern California. In addition, the company was named the number one home builder in Santa Maria Valley. The Autumnwood sales office is located at 21730 Amaryllis Court, Wildomar 92595. For more information please call 951-678-5315 or visit
